

North Dakota's At-Large District is represented by:

Rep. Kevin Cramer (R)

United States House of Representatives

1717 Longworth House Office Building

Washington, DC 20515

Phone: (202) 225-2611

Fax: (202) 226-0893

The Central States Pension Fund's Economic Impact on North Dakota's At-Large District

NOTE: Not included in these figures below are 785 active participants who reside in other districts but whose employers have offices or operations in the At-Large District.

2,077

CENTRAL STATES FUND PARTICIPANTS IN DISTRICT

Retired (986), active (435), and inactive (656) pension plan participants in the At-Large District

These participants rely on the strength of their multiemployer pension plan for their future retirement security.

15

CENTRAL STATES EMPLOYERS WITH EMPLOYEES IN THE DISTRICT

Number of companies who employ participants residing in North Dakota's At-Large District

These employers provide the jobs that are the lifeline of the District's local economy. Bipartisan pension legislation would provide relief to these employers from increasing liabilities that are putting jobs at risk.

\$3,981,436

CONTRIBUTIONS MADE ON FUND PARTICIPANTS IN THE DISTRICT

Plan contributions made on behalf of At-Large District participants in 2017

These contributions help ensure that Central States participants, including At-Large District constituents, will have a hard earned pension in their retirement.

\$13,846,400

ANNUAL BENEFITS PAID

Total annual payments to pension beneficiaries in the At-Large District

Research shows that retirement benefits strengthen local businesses and economies by encouraging economic activity, leading to higher incomes for workers and more jobs created by local employers.

\$1,177,064

ANNUAL IN-DISTRICT TAXES PAID

Total annual federal tax payments made by retirees on their benefits

On average, each retiree pays \$1194 in federal tax revenue every year on their benefits.

\$212,447,442

PENSIONS AT RISK

Current pensions at risk in North Dakota's At-Large District

The loss of this retirement income to North Dakota's At-Large District constituents may result in reduced economic activity in the district, weakened local businesses, lower incomes for workers and fewer jobs.
